REMARKS                     

SOURCE

The landing field of the OSCHATZ (N 52/E 71) airfield, being under cultivation, was unserviceable for use by aircraft on 14 June 1949. The field buildings were in good condition. The kaserne was occupied by a Soviet Army rear detail.

25X1A

           Comment: The condition of the OSCHATZ airfield has not changed since 21 April 1949. There were no indications of an intended reconstruction of the airfield.
